ACRE and Links Hall partner to present *Everyman Feast and Tournament*, created and performed by 2017 ACRE residency alum, **Considered To be Allies** (Margaux Parillaud, Mie Frederikke Fischer Christensen, and collaborators). Emerging from an interest in Pop Culture’s ability to reinforce social constructs and influence the way we perceive reality, this work plays with layers of fact/fiction and re-enactment; using well-known cultural tropes as a familiar, uncanny narrative entry point. Scenographic language, and genre specific aesthetics are used to create surreal moments and collapse time. These artists use uncontrollable materials, performing bodies and organic matter--hoping to challenge themselves and their audience by inviting all to break down structures and question the truths that are being held to be self evident...

**Considered To Be Allies** is a French/Danish artist duo based between Rennes and Chicago. The duo began collaborating in 2014 and graduated Cum Laude from the Gerrit Rietveld Academie with a piece awarded the Berlagde Fund and the GRA Award. In the spring of 2018, Mie Frederikke graduated with her Masters from SAIC with a work made in collaboration with Margaux Parillaud. Exhibitions include: De Vleeshal in
Middelburg, Charlottenborg Kunsthall in Copenhagen, and the Lithium Gallery in Chicago. In 2017 they attended the ACRE residency and received a Links Hall scholarship - they are excited to welcome you for their show on the 21st of October. consideredtobeallies.com
