Hearth: The ACRE Annual Benefit

Wednesday, October 14, 2026

6-10pm at Hoste

Hearth is ACRE's Annual Benefit that raises vital funds for our residency program and ongoing resources for artists.

Each fall, community members and supporters gather for a special evening celebrating the artists that shape ACRE with a delicious shared meal crafted by ACRE Kitchen, a silent auction featuring artworks and experiences works by alumni and friends, and great music and conviviality.

What are the benefits of Hearth Sponsorship?

Event sponsors ensure that we can host a great event, fill the room with interested and engaged guests, and meet our fundraising goals.

In return, we provide name or brand recognition and VIP perks at the event. We offer a unique opportunity to reach and connect with visionary local artists, art collectors, business owners, and integral members of the Chicago arts

community. Our event communications reach over 3,500 newsletter subscribers, 15k social media followers, and 150 in-person guests. Sponsors are acknowledged and celebrated in all of these formats. With a sponsorship, you'll also receive complimentary tickets to the event.

Join us for a great party
and empower ACRE's
artist-driven mission for
another year!

About ACRE

Mission

ACRE is an artist-run, community-driven organization that supports artists at transformative stages by fostering cooperative, equitable environments for making, sharing, and sustaining creative work.

Vision

We envision a sustainable, artist-led arts ecosystem where workers share power, resources, and knowledge to shape the conditions of their own labor and lives.
